

About Us:

3d interactive (3di) [a wholly owned subsidiary of **ASX:QXQ**] is an interactive advertising sales network that provides sales representation for a network of Australasia's premier permissioned databases and digital media properties, to advertising agencies and their clients.

We are a team of specialist sales people who passionately believe the future of advertising is in mediums which provide interactivity between a brand and consumer. The centre of our experience is data marketing, marketing to consumers via profile information available to us through permissioned databases and traditional direct marketing data.

Offices in: **Sydney, Melbourne, Perth, Brisbane and Auckland**
